DE. HAAE, having leased the rooms formerly occupied by Dr. Kivett, in Dr. Bray's building, opposite the Post Office, for a series of years, would respectfully solicit the citizens of Evansville and the surrounding towns and country, to visit his rooms and see the specimens on exhibition, whether they need the services of a Dentist or not.

Since the issuing of his last circular and advertisement, over a year since, several improvements and new inventions have been made, of which he has availed himself, and allows nothing that will subserve the interests of his patients, to pass unsecured. His facilities are better and establishment larger, without doubt, that any other in our State, and equal to any in Eastern cities. All those Groceries all towest price.

The laster styles, for lightness and adaptation to difficult mouths, excel any-cels anything we have ever seen.
